FINANCES OF TERRITORY IN SATISFACTORY CONDITION

State of the Treasury Is Reviewed In Governor Carter's Report to the Secretary of the Interior.

In his annual report to the Secretary of the Interior, Governor Carter makes a very strong showing indeed for the finances of Hawaii. "The finances of the Territory of Hawaii," says the Governor, "are in better shape today than they have been since the date of annexation by the United States. Prior to that time these islands were in receipt of an annual revenue approximating \$3,000,000. The diversion of the customs and postal revenues caused a material reduction. Notwithstanding this loss the expenses of the Territory were maintained upon their former basis. There had been no reduction in the number of employees or the current expense in any single department, and in many cases the functions of various departments had been extended. In an effort to supply this deficiency an income tax had been passed and every source of revenue had been closely scrutinized, the assessed values of all properties raised, and the whole system of direct taxation largely increased. Still this was insufficient to meet the requirements, and, of late, each year brought deficiencies which were met by anticipating the income. Such a condition of affairs could not be maintained, and it necessitated a special session of the Legislature in the spring of 1904. This session lasted only twelve days, and it did most effective work in reducing the amount of expenditures that had been previously authorized and in curtailing the departments in every direction. The result is that, beginning with the first day of July, 1904, the appropriations for the year ending June 30, 1905, will be slightly under \$2,000,000, while a conservative estimate of the Territory's revenue for the same period is some \$200,000 in excess.

"As the Territory is unable to borrow money to cover any temporary deficit, it must pay cash as it goes, or issue warrants, to be redeemed as the income is collected, for bonds can only be issued, as provided by the Organic Act, for certain public improvements, with the approval of the President.

"Notwithstanding the fact that the large collection of taxes in November last year had been exhausted by January of this year and the issuing of warrants has been continued from time to time, the expenditures have now been so reduced that by November next every outstanding warrant will be paid and a considerable balance of excess applied toward the deficiencies of the previous years. Thus, in the coming year, it will not be necessary to issue so large an amount of warrants, and gradually the Territory will be reestablished on an absolutely cash basis.

"At the present time the total bonded indebtedness of the Territory does not exceed 2 1-2 per cent of the taxable property of the Territory, and by reference to the article following on this same subject by the treasurer of the Territory will be found a detailed statement of the bonded debt.

CHINESE FUND.

"In the last annual report of the Governor of the Territory some mention was made in reference to this matter, and it was shown that in the changes brought about by annexation and the abrogation by Congress of all laws relating to Chinese immigration the matter of the disposal of this fund was left unprovided for and necessitated local legislation. An act to provide for the care, custody, control, and payment of \$155,546.70, being the money now in the possession of the treasurer of the Territory, designated and known as the 'Chinese fund,' passed the Legislature and was approved April 28, 1903.

By June 30, 1903, there had been paid to the claimants in accordance with this act \$89,968.30. During the present year, ending June 30, 1904, there has been paid \$56,179.75.

A total of \$146,148.05.
Leaving an unpaid balance of \$19,389.65.

"But in order that a full understanding in reference to this matter may be gained, it is necessary to consider the fund before the passage of the aforesaid act.

"Prior to annexation, the Republic of Hawaii maintained and operated a postal savings bank. There was also in existence a board of immigration, with a paid secretary, who received the payments made by the Chinese laborers who had been admitted under the provisions of previously existing laws, by which they were required to work as agricultural laborers, mill hands, or domestic servants, and to pay a part of their wages to the Government toward a fund to be used in sending them out of the country whenever they should cease so to work. This fund was deposited in the postal savings bank to the credit of the board of immigration, in a separate account with each laborer.

"Congress, in its act to organize this Territory, abolished the board of immigration and the postal savings bank, making provision, however, for the payment of all deposits therein. As these accounts were made up and closed, there being no law for the custody and control of this fund, the money was turned over to Mr. Wray Taylor, the former secretary of the board of immigration, and then employed by the Territory as commissioner of agriculture and forestry, who, from his intimate knowledge of the records and affairs of the board of immigration, was expected to pay out the money as

it was called for by the claimants. Part of this money was deposited in the First National Bank and part was placed in a separate compartment in the vaults of the treasury.

"In September, 1902, former treasurer of the Territory, W. H. Wright, absconded, and it was found he had taken considerable money from this Chinese fund. In December, 1902, Mr. Taylor left the country for a short vacation and, not returning, it was found that he also was short in his accounts with the Chinese fund.

"From the meager records and inadequate books kept by Mr. Taylor, the best estimate that can be made is as follows:

In February, 1903, the unpaid claims amounted to \$173,481.25
Wright's shortage \$16,883.05
Taylor's shortage 1,051.50

Total 17,934.55

Balance in the treasury vaults and in the bank of \$191,415.80 mentioned in the act passed by the Territorial Legislature.

"Thus no provision has yet been made covering the shortages, the matter being left open to ascertain to what extent the pass books of the laborers had been lost or destroyed and the claimants themselves have disappeared.

FIRE CLAIMS.

"The court of claims final awards for the fire originated during the epidemic of bubonic plague amounted to \$1,473,173.

"The Legislature of 1901 recognized the entire inability of the Territory to meet these claims, yet as an earnest of good faith it made an appropriation of \$1,500,000 from moneys not otherwise appropriated and provided that the moneys from the United States Government as refund of interest on the \$4,000,000 of bonds assumed at the time of annexation should at least be applied to the payment of these claims.

"Not long after \$140,000 was received from the United States Government in part payment of the interest advanced by the Territory. In order to make an even 10 per cent payment on the total claims there was taken from the treasury an additional \$7,317.30. Thus at the time the matter was taken before Congress there was a balance unpaid of \$1,325,855.70.

"By act of Congress, approved January 26, 1903, provision was made for the payment from the Federal Treasury of \$1,000,000, and the Territorial treasurer was authorized to issue 5 per cent fire-claim bonds for the payment of the remaining \$325,855.70.

CASH STATEMENT, FIRE CLAIMS.

1903.

Accrued interest \$140,000.00
Transfer of cash from treasury 7,317.30
Cash received from sale of 162 fire-claim bonds at par 162,000.00

Total cash received to June 30, 1903 \$309,317.30
Warrants paid by treasurer to June 30, 1903 304,584.57

Balance cash on hand July 1, 1903 \$ 4,732.73
Received from the sale of 153 bonds at par to June 30, 1904 \$153,000.00

Received refund of interest from United States Government 11,589.83

Total receipts to June 30, 1904 \$169,322.56
Warrants paid to June 30, 1904 155,139.60

Cash balance July 1, 1904 \$ 14,182.96
Outstanding unpaid claims \$13,448.83

"Thus there is now an excess of cash in this fund of \$734.13, and there are 11 bonds unsold in the hands of the secretary of the Territory out of the issue of \$326,000 authorized. When the suits pending are disposed of a final settlement can be made and the whole matter closed.

THE HILO POSTOFFICE

Objection to Outsiders. Weekly Hilo Budget.

HILO, Dec. 23.—Gossip on the postmasterhip in the Herald contains the following items: Thomas C. Ridgway is in Washington using the Cullom pull for the position and the report that he carried Governor Carter's endorsement is doubted. The applications of Miss Marlin, N. K. Lyman and W. H. Lambert are in the hands of the Governor, but he is said to favor George Desha, one of the oldest hands in the Honolulu postoffice.

J. Castle Ridgway says editorially in the Tribune:

"An imported postmaster is no more desired in Hilo than an imported lady stenographer, especially when Hilo can furnish better material in both instances. * * * Hilo is agreed, politically, upon Norman K. Lyman, and from a business standpoint upon W. H. Lambert. As to the qualifications of each there can be no doubt. * * *

If experience and faithful performance of duty count for anything, Miss Marlin is entitled to the appointment by promotion."

Locally the Tribune has the following: "It is understood that Governor Carter favors the appointment of George L. Desha, to whom the place was offered in the first instance. Mr. Desha is averse to removing with his family to Hilo, but is willing to accept the appointment if it will bring harmony among the friends of other candidates."

BUSINESS ITEMS.

Work has begun on the Hilo sewer system, only citizen labor being employed. Superintendent Holloway will ask the Legislature for \$23,000 to complete the system.

W. H. Lambert has the contract for building a wharf at Kawaihae. A cable to Agent R. T. Guard says the Enterprise was to sail from San Francisco on December 21.

Benton & Arioli are having difficulty in procuring sufficient citizen labor to continue the construction work on the Peck and eighteen and three-quarters mile roads. Olau, and are advertising for fifty pick and shovel men.

Contractor Kendall was allowed to proceed with his work on the armory after a misunderstanding over certain COURT NEWS.

commendation to mercy. Judge Mathewman, who had tried the case instead of Judge Parsons (disqualified) imposed a sentence of two years at hard labor and a fine of \$300.

For saying "Why, sure!" when the court instructed the jurors to go to the clerk's office and sign the pay roll, a jurymen was fined \$5 by Judge Parsons for contempt of court. The culprit apologized, saying he did not think he had spoken loud enough to be heard.

Judge Mathewman of the Third Circuit Court, Kailua, gave judgment for plaintiffs for \$300 and costs in the suit of Walker & Howland vs. Kohala-Hilo Railroad Company.

J. D. Easton and A. Richley, jury commissioners for the Fourth Circuit, have turned in their list of two hundred jurors for 1905.

Robert Nunes Lillie, Scotland, and William Weight, England, were naturalized at the late Hilo term. Mr. Lillie was for many years in the employ of Theo. H. Davies & Co. He is now prominent in the promotion of the Hilo banana industry.

Malcolm Springer has been retained as stenographer of the Fourth Circuit Court, Miss Kate Kelley having relinquished the appointment offered her by Judge Parsons. The Tribune says Miss Kelley's appointment was "at the urgent request of Governor Carter and Secretary Atkinson." It elicited a "flood of protests" from, presumably, the Republican politicians of Hilo, and Miss Kelley took the position of stenographer to the Supreme Court in Honolulu.

SOCIAL AND PERSONAL.
A rainbow supper is to be given by the ladies of St. James's Guild next Thursday evening. The decorations will include all the colors of the rainbow.

William J. Stone was given a surprise party for his birthday last Saturday evening, which invaded his home while he and Mrs. Stone were entertaining D. E. Metzger and J. D. Kennedy at dinner. The visitors were Mr. and Mrs. C. A. Stoble, Mr. and Mrs. George Mumby, Mrs. and Miss Weight, Mrs. and Miss Canario, Mr. and Mrs. A. W. Richardson, J. T. Stacker and W. S. Wise. A set of toilet requisites was presented to Mr. Stone.

Professor Henshaw has been heard from enjoying himself at Watertown, Mass., among his old friends.

Dr. Martin Wachs leaves in the steamer Enterprise to locate on the mainland.

The Misses Ivy and Ruth Richardson have returned from an extended visit to

the mainland.

The sum of \$40 was contributed by Governor Carter, Senators McCandless, Bishop and Dowsett, through Rev. S. L. Desha, to the Christmas gift fund for the Sunday schools of Hilo and adjacent villages, which united in exercises at Hall Church last Sunday morning.

E. A. von Arnswaldt of Papaioa has returned from a visit of six weeks to the coast.

John A. Scott, who has returned from the mainland, reports his daughter, Margaret, much improved and expecting to return home with her mother in January.

August Ahrens, late manager of Oahu plantation, has taken the Richardson homestead on Church street for his family residence.

NIHAU REPORTS FINE WEATHER

The steamer Nihau arrived yesterday morning from Hawaii ports, bringing a small cargo of 59 cattle and 15 pigs. Purser Story makes the following report: "Strong northeast winds with choppy seas on the outward trip. Fine weather on Hamakua coast with northerly swell and light showers. Smooth seas on inward trip with light northeast trades. Fine weather on Kona coast with rain on Thursday. Both Mauna Loa and Mauna Kea have been covered with snow since last Tuesday."
